

Wipes

Antibacterial Alcohol Wipes

These wipes are ideal for cleaning and disinfection of all hard surfaces (except clear plastic) in high-risk of infection areas.

80% ALCOHOL WIPES

- Non-woven wipes impregnated with 80% denatured alcohol solution (recommended WHO formulation)
- Top dispenser hole with re-sealing cap
- Optimum alcohol saturation
- Tear resistant and strong when wet
- Non-abrasive and quick drying
- Choice of sizes
- Conforms to BS EN 1500 & BS EN 1276
