When the clock starts ticking

The clock will start ticking when:

1. We have received the instrument at our Cambridge facility
2. We have received a completed decontamination certificate (where applicable)
3. The instrument is covered by an existing and current Postal Platinum Same Day Service Level Agreement (annual contract)

SAME DAY
POSTAL PLATINUM
SERVICE LEVEL AGREEMENT – 1208706

Exclusions and limitations

- (a) The instrument(s) must be received by Camlab before midday
- (b) The target and guaranteed response times will not apply to any instrument that requires a repair. In this instance we will contact you to advise this on a quotation for the works.
- (c) The instrument must be returned with batteries, power supplies and main accessories otherwise we may not be able to start the works
- (d) This Service Level Agreement excludes weekends and public holidays
- (e) We can only accept a maximum of 5 instruments per customer per day

If we fail to meet the guaranteed receipt to dispatch time

You can request a refund of 10% of the pro rata individual instrument price on the Postal Platinum Same Day Service Level Agreement (annual contract).

Sending something to us

Please make sure you:

- (i) Label the package “Service item FAO Same Day Postal Platinum”
- (ii) Include a copy of the completed decontamination certificate in the package
