

SMART BREW

WATER TESTING

TEST SMARTER, BREW BETTER

eXact iDip®
SMART PHOTOMETER SYSTEM
with **Bluetooth®**
SMART

In the world of craft brewing, water is the most essential ingredient to making a quality tasting beer. The new Smart Brew™ Water Testing Kits are the perfect tool to properly begin the brewing process. The Smart Brew™ Kit incorporates a revolutionary photometer system that integrates 2-way wireless communication with a smart device. The multilingual app is the brain of the system which allows limitless possibilities including lab accuracy, free upgrades, test customization (over 35 available), mobile sharing, and more. The simple and quick testing procedure takes the guesswork out of results. It's like having a laboratory in the palm of your hand.

The Smart Brew™ Kit includes tests for:

- Total Alkalinity (Bicarbonates)
- Chloride
- Calcium Hardness
- Total Hardness
- pH
- Sulfate
- Residual Alkalinity*
- Magnesium Hardness*
- Sodium*

* The first meter designed for the craft brew market that directly calculates these values with no math required.

SMART DIGITAL WATER TESTING™

HARNESS THE POWER OF THE SMARTPHONE AND UPGRADE THE WAY YOU TEST WATER!

eXact iDip®
SMART PHOTOMETER SYSTEM
with **Bluetooth® SMART**

The eXact iDip® Smart Photometer™ with Bluetooth® SMART technology is the first handheld photometer that pairs directly with a smartphone/tablet. This revolutionary water testing system will dramatically improve the efficiency of your water testing regimen. Because the app is the brain of the system — you'll always have the most up-to-date tests. Download new tests and updates with ease!

FEATURES:

- The ONLY handheld photometer to use 2-way communication with a smartphone
- The eXact iDip® app is the brain of the system so future development is limitless
- Results include time, date, and GPS location which can be emailed as a .csv file (spreadsheet) and shared with Facebook & Twitter
- In-app updates continually improve accuracy and add new features
- Customize the app with only the tests you need (4 pre-installed / 35+ tests available for purchase)
- Multilingual app (EN, ES, FR, DE, ZH, LV & CS)
- Safe to use in water process areas (no glass or loose pieces)
- 30-Day satisfaction guarantee & 2-year warranty

WINNER OF 2014 R&D 100 AWARD

The eXact iDip® Smart Photometer™ is a winner of the prestigious R&D100 award. Each year a panel comprised of industry experts and R&D Magazine editors evaluate and judge hundreds of entries. The 52nd R&D100 Awards, recognized as the "Oscars of Invention," identify and celebrate the top 100 most revolutionary technology products of the previous year. This year, R&D 100 has selected the eXact iDip® Smart Photometer™ System as a recipient of the esteemed Award. Compliance with the EPA, ISO, and DIN testing specifications of the eXact iDip® attests to the meter's quality, reliability, and accuracy.
