Anistel supplied pumps dispense approximately 25ml per pump

### Anistel is effective against:

#### Mycobacteria

*Mycobacterium avium*  
*Mycobacterium terrae* (TB)  
*Mycobacterium bovis*  
*Mycobacterium fortuitum*

#### Bacteria

*Campylobacter jejuni*  
*Enterococcus faecium*  
*Enterococcus hirae*  
*Escherichia coli*  
*Klebsiella pneumonia*  
MRSA  
MRSP  
*Proteus vulgaris*  
*Pseudomonas aeruginosa*  
*Staphylococcus aureus*  
*Stenotrophomonas maltophilia*  
*Streptococcus equi*

#### Viruses

Adenovirus type 5  
Canine parvovirus  
Feline calicivirus (Norovirus)  
Human Coronavirus (SARS)  
Hepatitis B  
HIV

#### Fungi

*Candida albicans*  
*Trichophyton tonsurans*  
*Microsporum audouinii*
