

## LaMotte Tracer Pocket Tester for Total Chlorine

This pocket tester measures total chlorine in the range 0 – 10.00 mg/l. Cl<sub>2</sub>. Additional probes also available for pH and ORP making this a truly versatile handheld unit. An additional weighted stand eliminates the danger of tipping and enables precise stable measurements to be made.

### Features:

- Automatic self calibration
- Extra bold display
- Memory for up to 15 readings
- Waterproof design
- Automatic shut off and low battery indicator
- Weighs only 100grams
